THINK LIKE A PONY

THINK_LIKE_A_PONY

A whimsical and wonderful day out awaits you here at Think Like a Pony. You are all invited to share in some Christmas cheer at the Think Like a Pony HQ this December. Our Christmas Fundraising Fair promises a day of magical festivities for children and adults alike to enjoy.

Fabulously Festive Fundraising Activities and More

When you arrive on the farm, you will be welcomed by the TLAP team where you will find Santa's grotto awaiting. There will be friendly ponies to meet and greet, (Conker will be on Reindeer duty for the day) and festive refreshments including hot mulled wine and warm mince pies will be available.

Once you've experienced all of the magic of the Grotto and made your special gift with Santa himself, you can huddle around the hot food van and warm up with steaming mugs of tea and coffee and, of course, finish with festive cakes.

We will have loads of Christmassy things to do as well as gifts plus Christmas cards and crafts to keep everyone entertained.

As well as the craft table in Santa's Grotto, there's a raffle to be entered and prizes to be won. The Think Like a Pony merchandise makes great presents if you want to pop cosy hoodies and t-shirts under the tree this year.

What can you expect from the Christmas Fundraising Fair this year?

- A personal meeting with Santa in his cosy enchanted Grotto where Christmas wishes are brought to life. Create your very own Christmas crafts to take home and treasure. A core memory made for sure!
- Delicious hot and cold refreshments so you can warm up with a mulled wine and soak up the festive ambience while enjoying a mince pie or two (or three, we won't tell).
- A raffle and lots of games to be played.
- Ponies a-plenty: Of course, our ponies will be present to meet and greet the children.
- Loads of chances to raise money for vulnerable children.

We can't wait to welcome you to join us at the Think Like a Pony Christmas Fundraising Fair December 10th, 2023 to raise lots of money for a very deserving cause. Don't forget to [tag us on Instagram](#) if you visit us!
